Extra abbreviations

STEK: Steeking Section. Made of 8 sts, worked in a main colour.

LP1 & LP2: Lapel sections. There are two LP's, one left and one right to create the collar and carry the ribbing down into the yoke. Each LP is made of 12sts which are then joined after steeking.

Optional button holes.

Add in button holes evenly spaced into LP2 or for a more relaxed look do not work any button holes. You might also choose to work one button hole and sew on a fixed button below for affect.

Yoke Pattern

Whilst working the following charts continue to work the STEK and LP's in MC as previously established. Do not work chart instructions over STEK or LP sections. Carry your floats as you go catching them every 2 or 3 sts including over the STEK and LP sections.

Work **Chart A** in both MC and CC

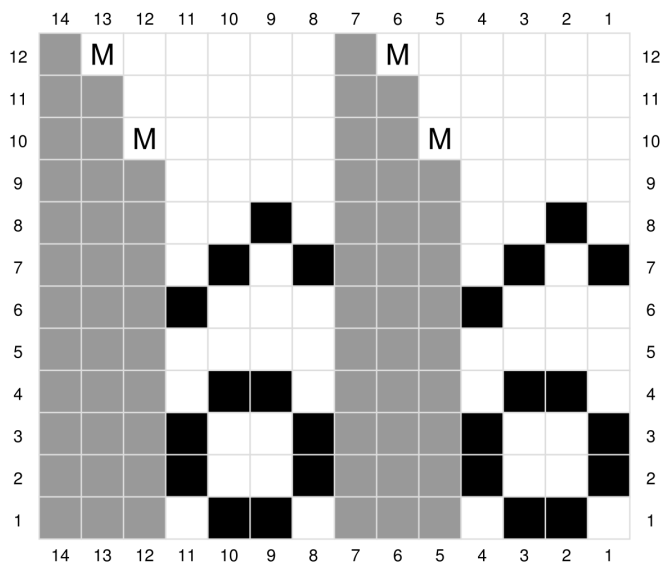

Check in points for Chart A

Starting stitch count: 192(216:240:264:280:288:296)sts/ 10(16:28:52:56:64:60) sts inc)

Dividing the garment (steeking)

Breaking working yarn leaving a tail.

Rnds 1-2: Work STEK and LP1, k to M, work LP2 till end. Repeat once more (two rnds total).

Cast off the 8 sts of STEK.

With a crochet hook reenforce the sts between the LP sections and STEK on both sides.

Separate the centre sts of the STEK with 4 sts on one side and 4 on the other.

Weave in all your ends away from the STEK.

Being careful to cut between the sts with a sharp pair of yarn scissors cut until you have separated the the yoke.

Allow the steeked edge to fold back to the first vertical purl bump row on each LP section to create a neat edge. Needle felt or reenforce steek as necessary.

Joining the lapels

With RS facing, hold your work so the cast on edge is closest to you.

Slip the 12 sts of the LP2 that are on your RH working needle onto a cable needle.

*Slip the first stitch on the cable needle onto your RH working needle, slip the first stitch on your LH working needle to the RH working needle.

Rep * in the method until you have all 24 sts of LP1&2 on your RH working needle alternating 1st from LP2 then 1 st from LP1 starting with an LP2 sts.

Reintroduce MC working yarn.

Knit MB of work until the 24 sts of the LP sections remain. Slip marker (this will now be your BOR marker).

P2tog the next 24 sts joining the two LP sections together making them into 12 sts. Remove marker. Knit to BOR

Stitch count: 252(288:324:360:384:396:408) sts

Work **Chart B** to end.

Then work **Chart C** a total of 3 times/18 rnds total.
